We are holding this charity concert to raise funds for the people who live in the villages of Sundarban, West Bengal, India. These villages were recently hit by a cyclone, and the villagers' lives have drastically been changed after this natural disaster. Since the villagers are very poor, the Ramakrishna Mission is supporting a fundraising program in order to help the villagers of this town. We would like to help the villagers by sending money through the Ramakrishna Mission, so that the villagers can rebuild their lives. The funds which we collect from this event will be sent directly to the Ramakrishna Mission for Aila Relief efforts. For further information, please visit
